Updates have been made to your Deposit Account Fees and Disclosures

We've continued to simplify our overdraft terms. Visit key.com/odchanges to learn more.

We've modified one of our fees. Here's what has changed:

Legal Order Processing Fee - Formerly known as Litigation Fee or Garnishment Fee, this charge is for processing court orders (e.g., Garnishments, Levies, or Delinquent Child Support Orders). Previously, this fee amount was \$50, \$75 or \$100 depending on the state where you opened your account. We've updated this fee amount to be up to \$100 based on multiple variables.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively "advances") from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the "Average Daily Balance" of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle.
